CAMPAIGN OF VILLIFICATION

"The Republican Publicity Association, which is collecting \$1,500,000 from manufacturers to take congress away from the president," says the Providence News, "has begun its campaign of villification in a statement sent broadcast, accusing the president and the democratic party of using the war as a mask to find jobs in the Labor Department for men who cannot find work elsewhere."

"The republican attack is published with the title, 'Under the Robe of War,' and insinuates that the administration is black-jacking congress into voting money for alleged war purposes, when the real intent is to find jobs for the faithful. No republican senator would dare stand sponsor for such a scurrilous attack upon the president and the Labor Department, but the Publicity Association is used to make it over the signature of Jonathan Bourne, Jr."

"The real trouble is that this money will be expended by bureaus in every state to provide labor for factories. Big employers, after August 1st, will have to take men sent by the several state bureaus instead of men hired by strike-breaking agencies. The effort of the government to bring labor and employer together without the assist-

ance of outside agencies is denounced as a political steal. Under the new method no man need leave his state to find a job. It will be found for him by the government during the term of the war. This is what is called graft by the republican gentlemen, who, under the lead of Will Hays, of Indiana, have started out to get control of congress."

"This is only the first attack in many planned on the patient man in the White House and his associates, who are working out the problems of the war. The stupid people behind the scheme will hear from the American people in November."

FOR STATE MINE INSPECTOR

The announcement of G. H. Bolin, candidate for State Mine Inspector, appears in this issue. The mines of Arizona are in as good condition as those of any state in the Union. The economical and efficient manner in which the Mine Inspector's office is conducted is very creditable to the State. Mr. Bolin will appreciate the active support of his many friends in Graham county.

A Bilious Attack

When you have a bilious attack your liver fails to perform its function. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take three of Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. They only cost a quarter. adv-25-5t

OSBORN IS THE LOGICAL CANDIDATE

"A CAPABLE, TRUSTWORTHY, GENUINELY DEMOCRATIC DEMOCRAT, UPON WHOM ALL TRUE DEMOCRATS CAN UNITE AND IN WHOM ALL TRUE ARIZONANS CAN TAKE PRIDE."

W. A. Moer, State Land Commissioner, and Lamar Cobb, former State Engineer, have withdrawn from the Governorship race in favor of Sidney P. Osborn.

MOEUR SAYS:

"I shall give my cordial and undivided support to Sidney P. Osborn. It is my earnest belief that upon him the party can unite as it can upon no other candidate, and that under his direction the affairs of the State will be administered with far greater efficiency than would be the case if they were to be entrusted to any other aspirant."

COBB SAYS:

"Believing that the interests of the whole people of Arizona will be served best by the nomination of Sidney P. Osborn, I intend to cast my vote for him."
